WELCH, Chairman; NUGENT and DIAMOND, Commissioners

---

In this Order, the Commission grants Legends Communications, Inc. the authority to provide facilities based interexchange service throughout the State of Maine and approves the Company's Terms and Conditions and Rate Schedules as filed on 4/1/99 (pp. 1-32). Pursuant to Chapter 280, §§ 11 and 12, we exempt Legends Communications, Inc. from the requirements of Chapter 210, *Uniform System of Accounts*, and 35-A M.R.S.A. §§ 707 and 708, subject to the conditions described below.

**I. APPROVAL OF APPLICATION TO SERVE**

On March 31, 1999, Legends Communications, Inc. applied for authority to operate in Maine pursuant to 35-A M.R.S.A. §§ 2102 and 2105. 35-A M.R.S.A. § 2105 requires us to find that the public convenience and necessity require another utility to serve where another utility is already authorized or is providing the same or similar service, before we grant approval under section 2102 for an additional public utility to provide service.

On May 18, 1999, Legends Communications, Inc. filed a revised page 21 of the tariff. This revised tariff page reflects a provision in the tariff addressing a rate reduction for deaf, hard of hearing or speech-impaired persons.

47 U.S.C. § 253(a), enacted by the Telecommunications Act of 1996, states:

(a) In General. No State or local statute or regulation, or other State or local legal requirement, may prohibit or have the effect of prohibiting the ability of any entity to provide any interstate or intrastate telecommunication service.

47 U.S.C. § 253(b) states, however:

(b) State Regulatory Authority. Nothing in this section shall affect the ability of a State to impose, on a competitively neutral basis and consistent with section 254, requirements necessary to preserve and advance universal service, protect the public safety and welfare, ensure the continued quality of

telecommunications services, and safeguard the rights of consumers.

We find that granting Legends Communications, Inc. the authority to provide interexchange service will not impede the preservation or advancement of the public interest goals or policies stated in section 253(b). Legends Communications, Inc.'s application provides reasonable information indicating that its financial and management capabilities are adequate to provide interexchange services in Maine.

## **II. APPROVAL OF TERMS AND CONDITIONS AND RATE SCHEDULES**

We allow the terms and conditions filed by Legends Communications, Inc. to go into effect. Legends Communications, Inc. used the Commission's expedited process for approval. That process includes standard terms and conditions that comply with Maine law and the Commission's Rules. We have reviewed the Company's terms and conditions and find that they appear to comply with Maine law and the Commission's Rules. Nevertheless, if there is any conflict between a provision in Legends Communications, Inc.'s terms and conditions and the Commission's Rules or a statute, the rule or statute will govern.

In general, the Commission believes that a competitive telecommunications market results in services and rates that benefit the public. We believe that the acceptability of Legends Communications, Inc.'s services and rates in the market provides an adequate test of the reasonableness of the Company's rates. Accordingly, we allow the rates proposed by Legends Communications, Inc. to go into effect. We believe, however, that customers must have complete information about the price of services provided. Therefore, we require that when an aggregation surcharge is added to the price of a call, Legends Communications, Inc. must fully disclose the presence and amount of that surcharge prior to the customer's use of Legends Communications, Inc.'s service.

## **III. WAIVERS; REPORTING REQUIREMENTS**

Pursuant to sections 11(A) and 12(A) of Chapter 280, Legends Communications, Inc. is exempt from Chapter 210 of the Commission's Rules, which governs telephone utility accounting and annual financial reports, and from 35-A M.R.S.A. §§ 707 and 708, which governs approvals for reorganizations and contracts with affiliated interests. However, as required by Chapter 280, § 11(A), Legends Communications, Inc. must report its annual intrastate gross operating revenues and its annual intrastate minutes of use for the purpose of determining its regulatory assessment.<sup>1</sup> Pursuant to Chapter 280, § 11(B), Legends Communications, Inc.

shall maintain records sufficient to identify and to allow auditing of traffic volumes, intrastate interexchange billings for both retail and wholesale services, and all information that is

necessary to calculate access or interconnection charges in accordance with this Chapter. Those records shall be maintained for a minimum of 2 calendar years.

Pursuant to Chapter 280, § 12, the exemption from the affiliated interest approval requirements of 35-A M.R.S.A. §§ 707 and 708 is subject to the notice requirements contained in Chapter 280, § 12(B) and (C) and in the ordering paragraphs below.

#### **IV. OTHER REQUIREMENTS**

Legends Communications, Inc. shall comply with all applicable rules of the Commission and statutes of the State of Maine, including the customer notification rule described in Ordering Paragraph 6.

#### **V. ORDERING PARAGRAPHS**

2. Approve Legends Communications, Inc.'s proposed Terms and Conditions and Rate Schedules (pages 1-32); those Schedules shall be effective on August 30, 1999;

4. Exempt Legends Communications, Inc. from the approval requirements of 35-A M.R.S.A. §§ 707 and 708, but Legends Communications, Inc. shall provide notice to the Commission of any reorganization, as defined in 35-A M.R.S.A. § 707(1)(A), that results in a merger, sale or transfer of a controlling interest of Legends Communications, Inc. or of any entity that owns more than 50% of Legends Communications, Inc. The notice required by this subsection shall be filed within 10 days following any reorganization described herein, as required by Chapter 280, § 12(B). As required by Chapter 280, § 12(C), Legends Communications, Inc. shall also provide notice of any other changes in the name under which it does business (d/b/a), any change of the location of its business office, and change of its contact person. Legends Communications, Inc. shall provide the Administrative Director of the Commission with notice of any of the changes described within 30 days following the change. If necessary, Legends Communications, Inc. shall amend its rate schedules and terms and conditions to reflect any change in identity; and
5. Direct that Legends Communications, Inc. shall comply with all applicable rules of the Commission, including the requirement in Chapter 280, § 10 that interexchange carriers provide notice to all affected customers of an increase to any rate that is greater than 20%.

Dated at Augusta, Maine this 30th day of August, 1999.
